

# YES ON PROP 1

VETERANS, SENIORS  
& HUMAN SERVICES

12

successful years making a  
positive impact in our  
community

35,000

people served every year  
since 2012

2,056

new affordable homes created  
since 2006, with more coming  
before the end of 2017

800

people per year, on average,  
who gain or maintain housing  
with levy support

\$7 million

saved since 2012 with  
preventative services in lieu of  
emergency medical and  
criminal justice system costs

## Yes on Prop 1

### Renew the Vets, Seniors, and Human Services Levy

#### If approved by voters, the new levy will...

■ **Expand our commitment to veterans and their families**

Through employment programs, increased access to legal supports, and the creation of housing and coordination centers

■ **Help people get services that restore health and build self-sufficiency**

By better connecting housing to recovery and reentry services, increased access to legal and housing resources for survivors of domestic violence and sexual assault, new mobile medical vans, and support people with disabilities and their caregivers

■ **Support seniors, our region's fastest growing population, and their unpaid caregivers**

With support for Meals on Wheels, expanded housing programs for low income seniors, and investments in senior centers and programs

### How you can help

■ **Endorse the campaign**

As an individual or an organization

■ **Share your story**

Tell us how the levy has touched your life personally or professionally

■ **Donate to the campaign**

If you are able, contribute through the campaign's official website: [yesonprop1.com](http://yesonprop1.com)

**Take action at [housingconsortium.org](http://housingconsortium.org)**
