

Where We Live + Where We Learn

Housing and Education Partnerships

March 5, 2015

Office of the Governor

Governor Inslee's Results Washington...A

Working Washington built on education and innovation where all Washingtonians thrive. www.results.wa.gov

Governor's outreach...in local communities; support for the whole child; the continuum of education; closing the Opportunity Gap; economy for all.

Cities...the best places to live, LEARN, work and play!

Collective Impact...occurs when organizations from different sectors agree to solve a specific social problem using a common agenda, aligning their efforts, and using common measures of success.

2015 Legislative Session...policy and budget proposals reflect our values. Ample, sustainable revenue.

PARTNERSHIPS

Why we are Here

- Highlight best practices and innovative collaborations between housing authorities, school districts, non-profit housing developers, community organizations, and local jurisdictions.
- Encourage new partnerships between the education community and non-profit housing developers to address both housing and education challenges.
