

At SMR Architects, our goal is to create attractive, practical, and humane spaces that have a positive impact on our community and provide value to our clients. From affordable housing and renovation to market-rate projects, we operate on the ethic that all people deserve enduring, quality design that uses environmentally conscientious planning and sustainable materials and results in responsible and long-lasting structures.

Our award-winning, mission-based practice is currently seeking an Intern Architect to join our 31-person team in Pioneer Square, Seattle. The ideal candidate has 2-5 years' work experience; is self-motivated; has excellent communication and interpersonal skills; and is committed to contributing to a strong and diverse community. Candidates should have experience with all phases of the design and documentation process using Revit, Sketch Up and Adobe Creative Suite. Experience with multi-family housing, renovation projects, or historic preservation projects is highly desired.

If you care about:

- Affordable housing
- Renovation & Historic preservation
- Adaptive reuse
- Sustainable design
- Mixed-Use Housing
- Transit-Oriented Development

We are interested in meeting with you.

Intern Architects represent a vital part of our project teams and contribute greatly to our overall success. SMR supports NCARB's Architectural Experience Program (AXP) and provides opportunities for staff to work on all phases and facets of projects of varying size, scope, and style. We encourage pursuit of licensure and provide access to Architecture Registration Exam (ARE) study material as well as assisting with covering the cost of exam fees and initial licensing period.

SMR Architects offers a diverse work environment and is an Equal Opportunity Employer. Benefits include: firm-paid medical, dental and vision insurance, generous paid time off, an ORCA transit card, and 401(k)retirement plan.

Please send a resume and cover letter with relevant past work experience to resume@smrarchitects.com.
