

SMR Architects currently is seeking to add an experienced and motivated Project Architect to our passionate, mission-based practice. At SMR, our goal is to create attractive and humane spaces that make a positive impact on our community and provide value to our clients. From affordable housing and renovation, to market-rate and mixed-use projects, we operate on the ethic that all people deserve enduring, quality design that uses environmentally conscientious planning and sustainable materials and results in responsible and long-lasting structures.

If you care about:

- Affordable housing
- Renovation & historic preservation
- Adaptive reuse
- Sustainable design
- Mixed-use projects
- Transit-oriented development

We are interested in meeting with you.

Our ideal candidate has the following qualifications:

- 5+ years' experience working in an architectural practice.
- Licensed to practice architecture in Washington State.
- Excellent communication and interpersonal skills.
- Commitment to contributing to a strong and diverse community.
- Ability to work both independently and collaboratively.
- Experience working in all phases of design and the construction document process.
- Ability to conduct zoning and building code analysis.
- Technical proficiency using Revit for drawing production.
- Background with multi-family housing and renovation projects is highly desired.

SMR Architects is an award-winning, 31-person firm in Pioneer Square offering a diverse work environment. Benefits include: competitive compensation; medical, dental and vision insurance (100% company-paid premium); generous paid time off; ORCA transit pass; 401(k) retirement plan with company match; continuing education opportunities.

SMR Architects is an Equal Opportunity Employer. To apply, please send a letter of interest and resume with relevant past work experience to resume@smrarchitects.com.
