

HDC Leadership Development Survey Course

HDC's Survey Course "gives great insight to all the parts and pieces of the affordable housing industry and that is important for future success with clients and business partners. It also opens up an avenue to support the industry."

-For-Profit Graduate

The **2020 Leadership Development Survey Course (LDSC)** is designed for staff of HDC member organizations who demonstrate a commitment to the field, leadership potential, and who will benefit from gaining further insight into what it means to be a leader in the affordable housing sector. Our survey sessions are designed to provide participants a **broad overview** of the sector and exposure to the many and varied roles of leaders in mission and value-driven organizations/businesses.

The course "provides a rare opportunity to develop relationships with peers that would be difficult to develop organically outside of the program. Furthermore, the program provides a unique opportunity for a professional to learn about different career paths within in the field and then reflect on their own professional goals.

Time Commitment

The program will require approximately **65 hours over 7 months**, including a day-long Saturday retreat, eleven 5-hour learning sessions, networking happy hours, and individual work in preparation of our learning sessions. See attached schedule and commitment form for specific dates and times.

Cost

Leadership development is an important part of HDC's mission and member services offerings, and is only available to qualified staff from our membership. The cost for each participant is \$325; at least 80% of which is to be paid by the participant's employer. **Full and partial scholarships are available.** There is no fee to apply.

Selection Process

Participant selection is competitive and designed to create a balanced and diverse program cohort representing the various types of HDC members. No more than 20 candidates are chosen annually. The average cohort is comprised of approximately 60% non-profit staff, and 40% private and public sector staff. Generally, only **one participant per member organization** is selected.

Curriculum

The LDSC provides a survey of affordable housing and leadership competencies, and creates space and opportunities for peer learning, sharing, testing ideas, and building lasting relationships. Topics will be introduced by current leaders and experts in the industry. This program is not meant to be exhaustive or duplicate other already existing in-depth leadership training programs.

"The Leadership Development Survey Course offered by HDC is different from other programs in that it focuses on understanding who you are, and how to develop a leadership style based on personal experiences to lead."

"Not only is it a great opportunity to develop professional skills, but [...] this course provides all of the leadership training in the context of affordable housing while allowing us to connect with our peers in the field and learn directly from, and in concert with, current leaders of the field."

-LDSC Course Graduate

"I began this course with no outside contacts in the industry and no leadership training. I completed this course with a large, diverse network of people [...] I am more confident, more aware of the industry and its challenges, and in the loop on what I can do to help (advocacy!). Thank you for this course and for HDC's great work in the sector and community."
