

**SMR**  
ARCHITECTS

# WE'RE HIRING!

## **Architectural Staff**

SMR Architects | Seattle, WA | Full-time

SMR Architects is seeking to add an Architectural Staff person to our passionate, mission-based, and award-winning practice in Pioneer Square, Seattle.

Architectural Staff represent a vital part of our project teams and contribute greatly to our overall success. SMR supports NCARB's Architectural Experience Program (AXP) and provides opportunities for staff to work on all phases and facets of projects of varying size, scope, and style. We encourage pursuit of licensure and provide access to Architecture Registration Exam (ARE) study material as well as assisting with covering the cost of exam fees and initial licensing period.

If you care about:

- Affordable Housing
- Renovation & Historic Preservation
- Adaptive Reuse
- Sustainable Design
- Mixed-Use Development
- Transit-Oriented Development

We are interested in meeting with you.

The ideal candidate has one to five (1 - 5) years' work experience; is self-motivated; has excellent communication and interpersonal skills; and is committed to positively contributing to a strong and diverse community. Applicants should have experience with all phases of design, project documentation, and detailing as well as a basic understanding of building, land use, and energy codes. Candidates must have a working knowledge of Revit. Prior experience with multi-family housing, renovation, and historic preservation projects is highly desired.

SMR Architects offers a fun and creative work environment. Our diverse team currently includes 51% women and 24% BIPOC individuals. Benefits include paid medical, dental and vision insurance premiums, generous paid time off, ORCA transit card, 401(k) retirement plan with company match, and discretionary profit sharing. SMR is an Equal Opportunity Employer.

### **Company Overview**

At SMR Architects, our goal is to create and preserve attractive, practical, and humane spaces that positively impact our community and provide value to our clients. From affordable housing and renovation to mixed-use developments, we operate under the ethic that all people deserve enduring, quality design, which uses environmentally conscientious planning and sustainable materials to result in responsible and long-lasting structures.

We anticipate remote work through the end of 2021 with continued flexibility for staff to work remotely in the new year.

To apply please send a resume and cover letter with relevant work experience to [resume@smrarchitects.com](mailto:resume@smrarchitects.com).
