

Do you have a passion for people, and are looking for a reliable, enjoyable part time role helping wonderful people? At **CIRC**, we are looking for you!

We are hiring a **Part Time Van Driver** to help our amazing **CIRC** clients get where they need to be! As a **Transforming Age** organization, we are dedicated to ensuring a **Culture of Excellence** for our clients and our Team Members!

Interested candidates please send your updated profile to [ajayaraman@transformingage.org](mailto:ajayaraman@transformingage.org).

### **What you will do as our Van Driver**

- Aid our amazing **CIRC** clients in getting to and from their destination
- Occasionally helping clients in and out of wheelchairs, ensuring they are properly seated.
- Help offboard residents so they may safely return to their residences.

### **What you will need to succeed!**

- Must be at least 21 years of age
- High School Diploma or equivalent.
- Have a valid and current Washington State Driver's License. This role does not require a CDL.
- Ford StarCraft Van certification, or equivalent experience (1 year plus) as a driver.
- Must provide a current copy of their driving record for review and approval by the Resident Transportation Manager.
- Must maintain a safe driving record.
- Must have a complete knowledge of traffic laws.
- General mechanical skills (check oil, necessary to check the vehicle to ensure it is in a safe operating condition.
- While this is a Part time role, occasional nights and weekend availability are preferred.

At **CIRC and Transforming Age**, we are committed to health and safety! That's why we require the **Covid-19** vaccination of our team members to ensure their health, as well as the health of our clients. It's all about taking care of each other, and working together with **Purpose and Impact**.
