JOB DESCRIPTION FOR:

Senior Housing Developer (Housing Developer III)

Applications on-line at this link:  APPLY HERE

GENERAL STATEMENT OF POSITION

The Senior Housing Developer (HDIII) works with a team of staff to develop multiple affordable housing and community development projects. The HDIII works with minimal supervision in the areas of development of new project proposals, feasibility, pre-development review, project construction/rehabilitation management, and public / private financing for new and rehabilitated housing for low-income households. The HDIII position is responsible for supporting all aspects of project development from planning to closeout and may provide guidance and advice to Housing Developer I (HDI) and Housing Developer II (HDII) positions in support of development activities. The scope of this position’s responsibility may include the following: assessment of community needs, identification and acquisition of appropriate sites, formulation of feasible housing proposals, including development and operating budgets and project schedules, assisting the sponsor in conducting community notification, preparation and review of funding applications, coordination of internal members of the project development teams and external consultants, and maintenance of sponsor communication and relationships.

Beacon is strongly committed to advancing racial, gender, and social equity. Beacon works with a range of clients who serve diverse communities; we are seeking a candidate who has the experience, confidence and desire to work in these communities. Beacon is committed to hiring and advancing personnel with an explicit goal to advance people of color, women, LGBTQ people, and other people from traditionally underrepresented communities. Candidates with experience living in affordable housing or who identify with those from disadvantaged backgrounds are encouraged to apply.

Salary range:  $95,000 – 140,000
Location:  employee will be based in our Seattle offices; some travel required
